

PETS WELCOME

We make you healthier and happier.

It's no wonder you want us with you all the time! Please follow these guidelines so we all have a great visit.

-  Keep me leashed and under control to help protect me (and the people and things that are around me!).
-  Gimme space! Make sure I hang out where I won't be underfoot.
-  Grrrr. If I get over-excited, aggressive or anxious, please take me outside so I can calm down.
-  When I gotta go, I gotta go. Help me anticipate when I need to go out for a break. And if it happens....sorry, please clean it up.
-  Don't leave me!
(Never leave pets unattended in a public space.)
-  Keep in mind that you're in charge. I try to be good...but you're ultimately responsible for me and my actions.

This establishment is taking part in the **BETTER CITIES FOR PETS™** Pets Welcome program.

WHY PET-FRIENDLY PLACES?

Pets are great pals to bring along when we go out. They keep us company and give emotional support. Their need for activity keeps us active, for good health. Plus they're a great icebreaker to help us make new friends. When businesses welcome pets, customers can stay longer and be more relaxed, not worrying about pets waiting at home.

BETTER CITIES FOR PETS™

This program, created by Mars Petcare, aims to help pet owners and non-owners alike have positive experiences with pets in more places. By breaking down barriers to the acceptance of pets, and creating a model for pet-friendly policies, we hope to ensure that everyone can have access to and enjoy the benefits pets bring.
